Building Department
CHECKLIST FOR IRRIGATION PERMITS

A document review will be performed on the following items prior to the submittal of a permit application. Failure to submit these items will result in the application package returned to the applicant until the deficient documents are included. This review sheet must accompany the application submittal.

Please make sure you have ALL required copies before submitting permit application

- Completed permit application
- Manufactures specifications for all installed equipment
- Site plan indicating well and pump location and setbacks to property lines. Indicate location of sprinkler timer and rain gauge.
- Schematic piping diagram indicating pipe sizes, sprinkler head types and Flow rate. Provisions for back flow prevention.
- Electrical verification form or separate electrical permit if applicable
- Recorded Notice of Commencement for work valued at \$5000 or more. (NOC must be submitted to permitting prior to scheduling the first inspection.)
- ****If applying for the permit as a homeowner builder, a copy of the recorded warranty deed or property card showing homeowners name from the property appraiser's website must be submitted, along with HOB Affidavit. Homeowner must personally appear at the Building Department to have their signature notarized.**

NOTES: BACK FLOW PREVENTION DEVICES MUST BE PROVIDED WITH TEST PORTS. DUAL CHECK VALVES WITHOUT TEST PORTS ARE PROHIBITED.

This checklist is intended for Building Department use only. Additional documents may be requested at any time during the permitting process. Any exceptions must be approved by a Supervisor.
