

## **Terms of Service**

I, the undersigned applicant, as the owner or the authorized agent of the owner, hereby grant the building official or their designee the authority to enter the structure or premises covered by this permit at reasonable times for the purpose of conducting inspections to enforce the provisions of the 2021 International Residential Code. I understand that such inspections are necessary to ensure compliance with the code and to protect public health, safety, and welfare.

If the premises is occupied, I acknowledge that the building official will present proper credentials and request entry. If the premises is unoccupied, I understand that the building official will make a reasonable effort to locate me or another authorized individual to request entry. I further acknowledge that if entry is refused, the building official may pursue remedies provided by law to secure access.
