

COVENANT AND AGREEMENT FOR ACCESSORY DWELLING UNITS AND JUNIOR ACCESSORY DWELLING UNITS

When an Accessory Dwelling Unit (ADU) or Junior Accessory Dwelling Unit (JADU) is legally created on or after April 16, 2021, a Covenant and Agreement for Accessory Dwelling Unit/Junior Accessory Dwelling Unit Structure (Covenant) shall be required as specified in Compton City Code (CCC) Section 30-11.2(P)(4). Outlined below is a list of steps necessary to record a Covenant. This checklist should be reviewed with a Planner at the Permit Counter and an unrecorded Covenant must be submitted with your plans. **A Covenant will not be accepted unless accompanied by plans submitted for Plan Check.**

- CONSULT WITH PLAN CHECKER: Before initiating any work on an ADU or JADU structure, consult a planner to verify compliance with all applicable development standards established in the Zoning Code, (i.e. setbacks, height, size, etc.). Please note this consultation is not intended to cover any building requirements or design issues. It is recommended that you consult with those departments to ensure all other requirements will be met prior to recordation of a Covenant.
- □ **<u>COMPLETE COVENANT</u>**: The form Covenant must be filled out completely. Provide all the requested information, including the legal description of the subject property. The information must be clear and legible in order to produce a legible photographic record. Signature of all property owners must be provided and notarized. (Refer to attached example.)

□ **<u>SITE PLAN</u>**: The site plan to be approved by Building and Safety must contain the words "Exhibit A" on the top of the page in a conspicuous location. The site plan shall be of standard page size of $8-\frac{1}{2}$ " by 11". Other page sizes or additional pages will incur additional recording fees by the Los Angeles County Clerk-Recorder. The site plan must contain the size and location of the primary dwelling unit(s) and all accessory structures on site. An interior floor plan of the accessory structure in question with proposed facilities shall also be provided. The site plan and floor plan must be clear and legible to produce a readable photographic record (refer to attached example).

□ **RECORDING A COVENANT WITH THE COUNTY**: Upon receiving the approval from Building and Safety. The applicant must then go to the Los Angeles County Clerk-Recorder office to record the Covenant (locations are provided on the back of this form). For locations, hours of service, or any other Clerk- Recorder questions, please call (800)201-8999 or visit <u>https://www.lavote.gov/</u>

□ COPY OF COVENANT FOR FILE: When the Covenant has been recorded, a copy shall be submitted back to the Building and Safety Department for filing. The final plans submitted for a building permit must match the site plan and floor plan contained in the recorded covenant. Any submitted inconsistencies in the plans will delay the issuance of a building permit.
